# Empowering Success Through Tailored Advisory Boards

## CUSTOM SOLUTIONS

- Tailor-made advisory boards for CEOs
- Precision targeting based on unique needs
- We'll work with CEOs to define board profiles
- Cultural synergy

## EXPERT RECRUITING

- Candidate match with companies based on industry, function, and cultural dimensions
- Proprietary methods for screening candidates
- Comprehensive database of candidates

## ADVISORY BOARD FAST FACTS

**11%** scale-up rate for startups who have 5+ advisors, a 7-fold increase vs no advisors

**30%** increase in business confidence

**90%** of businesses with an advisory board report a positive impact on their business

**24%** increase in annual sales with an advisory board

## BEST PRACTICES

- Suite of best practice tools for development and management
- Over 20 years of advisory board expertise
- Continuous support, guidance, and coaching
- No more administrative burdens for CEOs

## NO ADVISOR FEES

- No charge to advisors - ever
- Advisors elsewhere charge high fees for their expertise
- Save money, stay on budget

"Having an advisory board has been critical to my success. Surrounding myself with knowledgeable and experienced individuals who challenge me and offer different perspectives has been a game-changer in my career."

– Richard Branson, Founder of Virgin Group

"Advisory boards are an invaluable resource for any organization. They bring together a wealth of knowledge and experience, enabling companies to tap into collective wisdom and make smarter choices."

– Bill Gates, Co-Founder of Microsoft
